

December 11, 2008

Dear Ms. Dora Schriro:

On behalf of the American Cancer Society, we would like to thank you, the staff and all the inmates of ASPC – Perryville for your support in the American Cancer Society Making Strides Against Breast Cancer. Raising over \$22,000 is amazing!

We are proud that your community gathered together to partner with us in our fight against breast cancer. November 15th was an incredible day at Perryville. Each yard was decorated in pink streamers, ribbons and signs with messages of hope. Inmates and staff walked the track for their mothers, sisters, grandmothers, friends and for themselves.

Over the past five years, your “Perryville Breast Cancer Walk” has evolved to become a day of awareness as well as a large fundraising event. The dollars allow the American Cancer Society to continue our mission to put an end to breast cancer and to serve cancer patients and their families with our breast cancer programs and services. The American Cancer Society fights breast cancer on all fronts: research, education, advocacy and patient services.

We are proud to have this partnership with the Arizona Department of Corrections and look forward to working with you next year.

Sincerely,

A handwritten signature in black ink that reads "Paige - Marie DePalo".

Paige-Marie DePalo

Regional Vice President

American Cancer Society
